COMPANY PROFILE

VISENTIN is our private label brand that belongs to GOLZAR HOME, and it specializes in importing a range of bathroom products such as kitchen faucet, shower faucet, bathroom faucet, shower heads, hand showers, water inlets, and other accessories. The products are sourced in OEM and marketed under the VISENTIN brand name, and are renowned for their high quality and reliability. VISENTIN products offer an excellent balance of quality and affordability, with their mid-range pricing making them accessible to a wide range of customers. Whether you are renovating your bathroom or simply looking for a few new accessories, VISENTIN has a product that will meet your needs and exceed your expectations. With their commitment to quality and value, VISENTIN is quickly becoming a go-to brand for discerning customers who demand the best for their homes.

CERTIFICATE OF HONOUR

VISENTIN strictly implements the internal control quality standard which is superior to the NATIONAL standard.

Due to its superior quality, VISENTIN has obtained the international certificates of as cUPC (North America), AB1953, ACS (France), WATERMARK and WELS (Australia) so on. VISENTIN has become the synonym of high quality sanitaryware products.
